*The payment examples for mortgage loans assume a \$100,000 loan amount and a 60% loan-to-value on a purchase transaction of a single family home located in Multnomah County. The property assumption is that it is an existing single family home that will be used as a primary residence, and the rate lock would be for 60 days with a credit score of at least 740. Payment examples use rates available on 11/21/2018. For a 30-Year Fixed Rate Mortgage Loan at 4.750% interest rate, 4.879% APR would be \$521.65 for 360 months. The payment example for a Conforming 5/1 ARM Loan at a start rate of 3.625% interest rate; 4.857% APR subject to increase: 60 payments at \$456.05 for 60 months at a rate of 3.625%; 299 payments at \$545.30 for 299 months at a rate of 5.375%; 1 payment of \$546.56 at a rate of 5.375%.
