RE: Board of Directors Interest

Dear Advantis Credit Union Member:

Thank you for your interest in running for the Board of Directors of Advantis Credit Union in 2023! Advantis Bylaws allow candidates to be placed on the ballot by the Nominating Committee or by petition.

The amount of time each Board member devotes to Board work varies depending on leadership positions held, committee participation, current projects, and continuing education. Directors are expected to actively and meaningfully participate in Board meetings by preparing in advance for the meeting and regularly attending. There are typically twelve board meetings per year. They are currently scheduled the third Wednesday evening of each month. Meetings are typically held in person within the Portland Metro area. Virtual connection options are also available, however in person attendance is required for at least six board meetings per year. A Board packet is distributed prior to the meeting for review. Committee work and meetings tend to be less predictable, so some flexibility in your schedule is required. New Board members are required to participate in an onboarding program, to help bring them up to speed on Advantis' history, ideology and strategy, our operating environment, and role as a Board member.
